ORDER

1. The Government of Karnataka in their Order No. SWL 803 LLD 78 dated 27th September 1978 have referred an industrial dispute involving the points as to whether the management is justified in terminating the services of Sri Narayanaswamy with effect from 28th August 1977 and if not, to what reliefs the said workman is entitled, for adjudication to this court.

2. After taking the case on file, this court issued notice by registered post to the first party workman. But it was returned by the postal authorities with the endorsement that the addressee is not known. Another notice again by registered post was issued to the said party and that was also returned with the endorsement that the addressee is not known.

3. This court addressed a letter to the Government of Karnataka to secure the correct address of the first party and sent subsequent reminders, but invain. After waiting for reasonable time, and being satisfied that there is no possibility of serving notice on the first party and securing his presence, this court ordered issue of notice to the second party. Accordingly, notice was issued to the second party by registered post and it was duly served on them. But they too failed to make any appearance in this court. Left with no other alternative, the Court proceeded to close the case and pass this order.

4. In the absence of any evidence produced by either party, it is not possible for this court to answer the point as to whether the management is justified in terminating the services of the first party workman with effect from 28th August 1977. Consequently, it cannot also make any order concerning relief to be granted to the first party workmen in answer to the 2nd point mentioned in the order of reference. Under these circumstances the points in the order of reference cannot be answered by this court either way and therefore I direct that the reference be filed and a report be made to the Government accordingly.

Presiding Officer,
